

DOLPHINS NRL CHARITY PARTNER APPLICATION FORM

At the Dolphins, our commitment to local communities is at the heart of everything we do. Through partnerships with local organisations, support for community initiatives and active engagement with our fans, we work to build a stronger, more connected community, both on and off the field.

One of the key ways we achieve this is through our charity partner program, established to help raise awareness and funds for various organisations. Learn how to apply below.

PROGRAM INCLUSIONS:

Each charity partner will receive the following commitments from the Dolphins per season:

- › A fundraising opportunity through participation in the 5050 Charity Raffle at a designated Dolphins home game. The charity will receive 40% of the total funds raised as per the Terms & Conditions outlined in the agreement with The Lottery Corporation
- › The chance to activate your charity's presence at the assigned home game, providing direct engagement with our supporters
- › An appearance with preselected members of the Dolphins playing squad at an approved event
- › Promotion of the charity partnership through the Dolphins social media platforms, website and email database
- › Charity logo to be displayed on the community tab of the Dolphins website
- › A signed jersey by the current Dolphins playing squad

CRITERIA:

To be eligible for this charity partnership, applicants must meet the following criteria:

- › Be a registered non-for-profit group or charity with an active presence within the Dolphins operational footprint
- › Have a volunteer database capable of supporting the minimum requirement of 50 volunteers to sell 5050 Charity Raffle tickets at the allocated home game
- › Promotion of the 5050 Charity Raffle on social media and database platforms. (It is crucial that charity partners promote and advertise the raffle leading up to the game to drive online ticket sales, as these sales are vital to your overall funds raised)

HOW TO APPLY:

- › To apply for a charity partnership with the Dolphins, please complete the application form by Wednesday 8th October
- › Send through all completed applications to community@dolphinsnrl.com.au

2026 charity partners may have the opportunity to continue the partnership in 2027 at the discretion of the Dolphins, which will be reviewed at the conclusion of the 2026 season.

PARTNERSHIP DETAILS

What do you want to achieve through partnering with us?

Do you have any ideas of how we can help you promote your charity at home games and events?

What duties do you see the players performing during the scheduled player appearance?

5050 CHARITY RAFFLE

Distribution of the home games will be at the discretion of the Dolphins. We will notify charity partners of their successful application including their 5050 home game.

Failure to meet the minimum required volunteers will result in the possibility of forfeiting the guaranteed cash prize for that game and potentially risk future fundraising opportunities. The more the charity contributes the more funds they raise.
